Re: Account number: (Account number)

To Whom It May Concern,

I have received my credit report, from (Credit Bureau Name). I have contacted (Creditor's name) numerous times and even disputed it with the Credit Bureau. I am requesting a goodwill adjustment to remove the late payment(s) in order to refinance my home. I know this request is unusual, but it is ruining my good credit standing. I have had a mishap, and realize things happen. If you look at my records, I was always on time. The late payment(s) is reported to Equifax bureau and I am requesting removal of these two late payments, as it has been reported to the bureau's.

Also, the account has been paid and closed for (insert number of years closed), why is this reflecting, on my credit report? Is there interest that I am unaware of?

Sincerely,
